# ABOUT THE GALA

Join us for **Celebration for the Children: Together, We Light the Way**, the Foundation for the Children of the Californias' signature annual event. This inspiring evening brings together business leaders, healthcare professionals, and generous philanthropists who believe every child deserves access to quality medical care.

As the sun sets over San Diego Bay, we gather to celebrate progress and raise critical support that expands access to pediatric specialty care in the San Diego-Tijuana Mega-Region. When our community comes together with purpose, real change follows.

# OUR MISSION

The Foundation for the Children of the Californias is a U.S.-based nonprofit organization whose mission is to enhance the health and nutrition of underserved children in the San Diego-Tijuana Border Mega Region, primarily through the support of Hospital Infantil de las Californias.

Through this unique cross-border partnership, children receive access to high-quality, compassionate pediatric specialty care, regardless of nationality, income level, or ability to pay. From life-saving diagnostics and surgeries to preventative care and nutrition programs, the Foundation helps ensure that every child has a clear path to healing.

# WHY SPONSOR?
